26/2/27. With reference to this [illegible] is proposed in the schedule of rates appended to the Bye laws in regard to sugar, we do not like it is just done at 1 anna this varies from the schedule just fixed & hence can't be sanctioned. The discrepancy may be pointed out to the D.C & explain information called for by to which rate is required if 1 anna rate is required, just notify with leave to revise
